UNLEASHED CAMPS FOR KIDS
Have an animal-loving kiddo in your family? Don’t miss sending them to our Unleashed Camps during school vacation weeks and summer break! Both educational and fun, camp programming is designed to teach children age-appropriate animal welfare topics and curriculum. Daily activities include hands-on interactions with shelter animals, educational games, arts and crafts projects, guest speakers and more. Held in our humane education classroom at our new adoption and community center, Unleashed Camp is a tail-wagging adventure for all ages.

IN-SHELTER BIRTHDAY PARTIES
The ARLGP has the purr-fect place for your upcoming birthday party. Each birthday package includes two hours in our humane education classroom, with 1.5 hours of programming with one of our educators, including a shelter tour, activities and games, and a meet-and-greet with shelter pets.

TODDLER STORY TIME
Toddler Story Time at the ARLGP is designed for kids ages 3-5 to experience the shelter hands-on through picture books, shelter exploration, and animal meet-and-greet. Led by our humane education team, story time is the perfect activity for parents and caregivers of preschool-aged children. Held weekly on Fridays during the school year, October through June.

GIRL SCOUT PROGRAMS
Are you looking to earn your Pets Badge? Or your Daisy Petals? The ARLGP now offers a two-hour workshop that will include a tour of the shelter as well as hands-on activities to talk about animal needs and animal welfare issues. After, you will have completed all aspects needed to complete your Girl Scout Badge.
