ARLGP DONATION FAQs

Do you accept used items?

We love giving a second life to previously loved items! We accept many kinds of used items, provided the items are clean and in good condition. Items we cannot accept are at the bottom of this page. If you're unsure if we would accept your donation, contact us at (207) 854-9771 or on social media to ask!

Can I donate food brands that aren't your preferred brands?

We aim to keep our pets on a consistent diet for their digestive health, but will accept donations of all brands. Pet food donations that are not our preferred brands may become part of our Pet Food Pantry, serving community pet owners in need. Opened bags of food are passed on to local wildlife reserves.

Do you accept linens, sheets, blankets, etc?

We do accept bedding in good, clean condition including sheets, blankets and towels. We do not accept any bedding that is stuffed or can be pulled apart by our pets (comforters, pillows, sleeping bags, etc).

Can I donate medications?

We do accept some unexpired medications. If you'd like to donate medications, contact us at (207) 854-9771 to ask if we will accept your donation. We DO NOT accept controlled substances.

ITEMS WE CANNOT ACCEPT:

- items that are dirty or damaged
- pillows, cushions or comforters
- expired or prescription pet food
- laundry detergent and household cleaner
- cedar or pine shavings
- small animal cages
- controlled substances
- damaged toys & used tennis balls
- used grooming supplies
- medical supplies (cones, etc.)
- foam pet beds
- used litter boxes and scoops
- used cat trees & scratchers
